

WOODEN BOATS

Wooden Boat Building & Boat Repair

DESCRIPTION

Our experienced boat builders will lead you through many of the skills necessary to build and maintain a variety of wooden boats. Smell fresh cut wood and get a shipwright's view of the wood shop while you learn:

Lofting (turning designs into construction plans)

Riveting

Steam-bending wood

Painting and varnishing

Accurate measuring

Cutting and shaping new and replacement parts
Safe and effective use of hand & small power tools

Boat repair
